

Concord Christian Academy
An Educational Community
Building Integrity & Modeling Service

International Student Program

Program Description:

At Concord Christian Academy (CCA) we are daily engaged in the pursuit of "Shaping the character, expanding the mind, and loving the child through the scope of our Mission which is *Building Integrity and Modeling Service*."

CCA offers a Christ-centered English for Speakers of Other Languages (ESOL) program that allows International students the academic opportunity to increase their English proficiency while being fully immersed in American culture. ESOL English, English Lab, and English Bible are offered along with appropriate content-based classes and electives, such as music, art, and computer. The focus of the ESOL classes is to communicatively teach English through reading, writing, listening and speaking using task-based curriculum, computer-assisted language learning (CALL) and God's Word. Our ESOL teacher holds a Master's degree in Education, a Master's degree in Educational Technology, is TESOL certified and is presently pursuing a Master's degree in TESOL.

High School graduation credit is given for these classes. Participation in extra curricular activities and after school sports (soccer, basketball, baseball and track) is encouraged. Students also have the unique opportunity of living with a carefully selected American Host Family during the school year.

At CCA, because of our dedication to the educational and spiritual needs of each student, we provide a loving, authority-honoring, drug-free atmosphere. The students learn the Scriptural basis for living a moral lifestyle that honors parents, family and God. The spiritual life of the school is integrated into every facet of the curriculum and daily instruction. Students participate in Chapel, Service Learning projects, mission trips, day retreats, 8th grade Cape Cod trip, Spiritual Emphasis week, etc. Students learn to see the world through the lens of God's Word.
