Building Community Through Service

MEMBER AGREEMENT

Welcome to the Concord Christian Academy Giving and Going Alliance family! Alliance members are granted a tuition discount in advance in exchange for an annual membership contribution and your commitment to support the Alliance and CCA by serving as a volunteer at CCA. The minimally required number of volunteer hours is ten (10) hours per month for a total of 100 hours per year. The entire 10 hours per month may be served at CCA; as an alternative, a minimum of 5 of those hours must be served at CCA with the balance donated to an outside non-profit organization whose purpose is consistent with CCA's Community Life Statement.

Payments toward the Alliance membership contribution can be made in one of three ways: 1) by deduction to coincide with your tuition payments through the FACTS Program at \$72/family/month via AFT for 10 months; 2) \$720 annually in July; or 3) \$360 semi-annually (July and December).

Alliance households are asked to report their service hours each week on the Service Hours Tracking Form (either paper form or online form) from which the hours will be posted in the school information system. It is imperative that at the end of each month, Alliance households must have a minimum of 10 hours recorded in the school information system (exceptions will be made for volunteers accepting a seasonal role such as coaching). Tuition adjustments will be made on December 31 and March 31 for households not in compliance. Financial Aid and the Alliance discount will be terminated effective the following month. Households who have not honored their commitment to the program will be billed for the remaining tuition, including Alliance discount and financial aid, as well as be removed from the program for the remainder of the school year.

I/we recognize that various background checks will be made prior to any service at CCA. Furthermore, we acknowledge the following expectations:

- I/we will report to the Alliance Coordinator and/or the Headmaster within one (1) business day any significant changes such as: i) major motor vehicle violations, including Driving Under the Influence; ii) any other changes in my/our driving records; iii) any arrest for alleged criminal activity.
- In keeping with general Academy policy, firearms, large knives, martial arts weapons, fireworks, and any other item capable of causing bodily harm are prohibited from the campus and any Academy activities. Appropriate exceptions will be made under state and local laws for individuals in law enforcement and/or the military.

My/our signature(s) below indicates my/our understanding of the terms and conditions of Alliance membership and the Alliance tuition discount.
