

ANCHORED
Overnight Retreat
September 3 - 4 2026

August 19th, 2026

Dear High School Parents,

In just a few weeks, our high school students will travel to Ithiel Falls Camp for a two-day, one-night overnight retreat called Anchored. All high school students are expected to attend. The retreat is staffed by CCA faculty and coaches and loaded with enriching sessions, challenging games, great food, and unforgettable memories. This will be a great opportunity for spiritual growth as students are encouraged to be anchored in their faith and strengthened in their relationships within the school community. Please pray for God's protection over each individual, that they might know their Creator more deeply and strive to become His instruments of grace and hope.
