CCA Mission

Concord Christian Academy is a life preparatory educational institution that works in harmony with families to promote the spiritual, intellectual, emotional, physical and creative growth of students, empowering them to live for the glory of Jesus Christ.

CCA Vision

Luke 2:52 And Jesus grew in wisdom and stature, and in favor with God and men.

It is our vision that Jesus Christ's transforming grace and truth be (i) manifested in the lives of students by influencing every arena of life and (ii) evidenced by advancing integrity, mercy, competence, compassion, forgiveness, and beauty.

It is our desire that CCA be a school where . . .

. . . Christ is Lord, loved with heart, soul, strength, and mind.

. . . others are served before self.

. . . Scripture is experienced as a feast of truth.

. . . prayer comes as naturally as breathing.

. . . beauty in the world is cherished.

. . . participation in the arts is an expression of joy in God's handiwork.

. . . everyone contributes to work that sustains family, school, church, and community.

. . . vigorous play and sound health habits are embraced by all.

. . . remorse and restitution are met with forgiveness and restoration.

. . . a zest for lifelong learning is cultivated.

. . . students, sound in spirit and capable in action, are prepared for further study and service in the life God has given to them.

Soli deo Gloria - to the glory of God alone.

CCA Core Values

TRUTH- We value absolute truth rooted in the Bible, creation and the personhood of Jesus Christ.

'And you will know the truth, and the truth will set you free.' John 8:32

AUTHENTICITY- We value authenticity in our relationships with both God and humanity.

'Search me, O God, and know my heart; test me and know my anxious thoughts. Point out anything in me that offends you, and lead me along the path of everlasting life.' Psalms 139:23-24

LIFE- We value the life each person possesses as unique, gifted and valued by God creator.

'The thief's purpose is to steal and kill and destroy. My purpose is to give them a rich and satisfying life.' John 10:10

INTEGRITY- We value conducting ourselves with honesty and responsibility.

'People with integrity walk safely, but those who follow crooked paths will be exposed.' Proverbs 10:9

COMMUNITY- We value creating and maintaining meaningful relationships among students, families, teachers, staff, and community partners.

'Be completely humble and gentle; be patient, bearing with one another in love.' Ephesians 4:2

LEARNING- We value excellence in education while supporting a learning environment that continuously motivates all individuals to excel.

'The heart of the discerning acquires knowledge, for the ears of the wise seek it out.' Proverbs 18:15

CCA Community Life Statement

We believe that God's Word, the Bible, including Old & New Testaments, is the ultimate guide for our values, attitudes and behaviors.

We seek spiritual maturity by maintaining a personal devotional life; participating in community worship and prayer; and being firmly planted in the life, ministry, and spiritual oversight of a local church, parish, synagogue or other assembly of Christian believers.

We seek to keep the unity of the Spirit through the bond of peace, and to accept one another in love through humility, gentleness, kindness, and patience.

We encourage one another to mature in Christ-likeness by speaking the truth in love in our classrooms, business affairs, social relationships, and all other areas of our shared life.

We encourage responsible relationships and unity within families.

We seek to respect and encourage our uniqueness in Christ, which includes our diversity of denomination, race, culture, personality, development, experience, gifts, and goals.

We seek to become involved individually and corporately with the Church in ministering to spiritual and social needs within and beyond our own community.

We renounce attitudes such as greed, jealousy, false pride, lust, bitterness, hostility, an unforgiving spirit, unjust discrimination and prejudice such as that based on race, sex, appearance, emotional health, athletic performance, academic ability, or socio-economic status.

We renounce behaviors such as distortion of God's Word, deception, falsehood, malicious speech, drunkenness, drug abuse, stealing, cheating, and sexual immorality such as pornography, premarital sex, adultery and homosexual behavior.

We acknowledge that every single person has engaged in attitudes and behaviors that fall short of God's standards, and we rejoice in God's restoration and forgiveness.

We affirm the mandates of God's Word to treat all human beings with love and respect whether or not they accept or endorse these values.

We seek to follow, where interpersonal conflict arises or such shortfalls in attitudes or behaviors occur, a biblical process such as outlined in Matthew 18:15-20 for correction, forgiveness, restitution and reconciliation.

We seek to practice an attitude of mutual submission according to the mind of Christ, recognizing that at times our personal rights and preferences must be put aside for the sake of others and the good of the community.

We encourage cultivation of the spiritual attitudes and behaviors of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

CCA Statement of Faith

These core beliefs make up the foundation upon which all our ministry endeavors are based.

Concord Christian Academy believes

- In one God, Creator, and Lord of the Universe, the co-eternal Trinity: Father, Son and Holy Spirit.
- That Jesus Christ, God's Son, was conceived by the Holy Spirit, born of the Virgin Mary, lived a sinless life, died a substitutionary atoning death on the cross, rose bodily from the dead and ascended to heaven where, as truly God and truly man, He is the only mediator between God and human beings.
- The Bible is God's authoritative and inspired Word. It is without error in all its teachings, including creation, history, its own origins, and salvation. Christians are called to submit to its divine authority, both individually and corporately, in all matters of belief and conduct.
- All people are lost sinners and cannot see the Kingdom of God except through the new birth. Justification is by grace through faith in Christ alone.
- In the necessity of the work of the Holy Spirit for each individual's new birth and growth to maturity, and for the Church's constant renewal in truth, wisdom, faith, holiness, love,

power, and mission.

- In one holy, universal, and apostolic Church. Its calling is to worship God and witness concerning its Head, Jesus Christ, preaching the Gospel among all nations and demonstrating its commitment by compassionate service to the needs of human beings and by promoting righteousness and justice.
- Jesus Christ Himself will physically return in glory to raise the dead and bring salvation and judgment to completion. God will fully manifest his Kingdom when He establishes a new heaven and new earth, in which He will be glorified forever and exclude all evil, suffering, and death.

Scripture

We believe the sixty-six books of the Old and New Testaments are inspired in all their very words by God, and inerrant in the original manuscripts (autographs). These sixty-six books alone are the final authority in faith and life.

God

We believe in one God who is Creator of heaven and earth. He is infinite Spirit, eternal, almighty, and infallible, including His omniscience and knowledge of all future events. He is unchangeable in His essence, and all wise, just, and holy. The triune God eternally exists in one essence and three Persons: Father, Son, and Holy Spirit. God intervenes in the universe in many ways.

Creation

We believe in the ex-nihilo special creation of the universe and in the supernatural creation of many diverse biological categories. We also believe in the historicity of the biblical record, including the special creation of Adam and Eve (the first human male and female) as the literal progenitors of all humans.

Jesus Christ

We believe in Jesus Christ, the Second Person of the Trinity, the Eternal Word manifested in the flesh. He was conceived by the Holy Spirit, born of the virgin Mary, lived a sinless life, and He is fully God and fully man, having two distinct natures co-joined in one Person. Jesus died as a representative and substitutionary sacrifice for human sins and offers salvation by grace alone. He arose from the dead in the same physical body, though glorified, in which He had lived and died, and His resurrection body is the pattern of that body which will be given to each believer. Christ ascended into heaven, showing the perfection of His redemptive work. He will literally and bodily return to earth to finalize the divine plan for humanity.

Humanity

We believe that humans were created in God's image, and that in a discrete historical event Adam and Eve fell from their good relationship with God through sin. As a consequence of his sin, there is a divine curse on "the whole creation" (Romans 8:18-25 ESV) and all descendants

of Adam became spiritually dead through having inherited a corrupt nature, Christ being the exception.

Human Sexuality

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen. 1:26-27). Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that marriage is a conjugal, covenantal, and non-incestual union ordained by God, of one adult biologically born male and one adult biologically born female, and historically understood by the Church, to be the most basic societal institution and the exclusive institution appointed by God for sexual intimacy. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt. 15:18-20; I Cor. 6; 9-10)

Sanctity of Human Life

We believe that all human life is created by God in His image, including fetuses, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to protect and value all human life.

Social Justice

We believe primary human identity lies in being made in God's image (Gen. 1:26-27) and this bestows intrinsic dignity that is worthy of Christian compassion and justice. Sin is the ultimate problem and Christ's redemption the ultimate solution. Redeemed people should promote genuine Social Justice within a biblical framework (Col. 2:8). So-called Critical Social Justice is corrupted by a focus on power and privilege rather than truth as the way to understand human relationships. "Social Justice" corrupted in this way misconstrues justice, grace, and compassion, and ultimately undermines the mission of the church and its gospel. We reject as anti-biblical any interpretation of Social Justice as a metanarrative inspired by the false components of Critical Theory (or Cultural Marxism). This views primary human identity in terms of opposing oppressor/oppressed groups along the axes of race, class, sexuality, gender, etc., granting special knowledge found only in the "lived experience" of the oppressed.

Salvation

We believe that only those who come to the Lord Jesus Christ as Savior by faith alone, apart from good works, are justified before God, have become God's children, and inherit eternal life

with God.

The Holy Spirit

We believe that the Holy Spirit, being the Third Person of the Trinity, convicts humans of sin, regenerates, indwells, baptizes, seals, and sets believers apart to a holy life; that He keeps and empowers believers.

The Final State

We believe that Christ shall return to judge the living and the dead. The righteous will inherit eternal life and the kingdom prepared by God from the foundation of the world. The lost will inherit eternal punishment and be cast into the fire prepared for the devil and his angels (Matthew 25:31-46).

The Church

We believe that the universal Church of Jesus Christ is composed of those who have been redeemed and washed in His blood, regenerated and sealed by the Holy Spirit, and that they are saved to worship and to serve. It is the responsibility and privilege of all who are saved to seek to win others to Christ and live a holy life.

Final Authority for Matters of Belief and Conduct

The CCA Faith Statement does not exhaust the extent of our Christian belief. The Bible itself, as the inspired and infallible Word of God, is the authoritative source of Christian doctrine. With respect to faith, doctrine, practice, policy, and discipline, the board of directors is the final arbiter on the Bible's application for the purposes of CCA as an organization.

CCA Philosophy of Christian Education

- Education is focused on truth, of which God is the ultimate source. He reveals himself to us in nature; in His Son; and in the Bible, the only inerrant, authoritative, and sufficient rule for faith and practice (Hebrews 1:1-3; II Timothy 3:16,17).
- The Lordship of Christ and the sovereignty of God are all-inclusive; therefore, all areas of life and learning are regarded as sacred (Romans 11:36).
- Christian education is the result of all knowledge being tested against, and integrated with, a biblically based view of God and the world (Colossians 1:16,17; John 1:3). ● The primary responsibility for the education of children rests with parents (Deuteronomy 6:7,8; Genesis 17:7; Proverbs 22:6). However, the Christian school and the church provide complementary roles in educating students for lives of fellowship with God and service to others (Deuteronomy 11:18; Psalm 78:4,5).
- The Christian teacher, empowered by the Holy Spirit, guides and nurtures students through instruction, admonition and personal example. The Christian teacher seeks to encourage the spiritual development of students since this is the foundation for their academic, social and personal growth (Col.1:28; Proverbs 1:7).

- Christian education occurs as the Holy Spirit works effectively in the hearts and minds of the students. Through general revelation students learn of God and His world (Acts 14:17; Rom. 1:18-20). Special revelation and regeneration are regarded as essential components of Christian education because a personal relationship with Jesus Christ provides students with the ability to view life from a Biblical perspective (I Corinthians 2:14).
- God has created all students with unique talents as well as particular developmental growth patterns. Therefore, the learning process is enhanced as teachers utilize varied teaching strategies and instructional environments (Psalm 139:13-15; Romans 12:4-8).
- Service to others inside and outside the classroom contributes to the development of each student's talents and abilities (I Corinthians 12).
- Excellence in the quality of education offered to children brings glory to God and provides a compelling witness to our neighbors (Philippians 1:9-11).
- The goal of Christian education is to develop students who will serve God and impact their community and the world by thinking and acting biblically in all areas of life (Romans 12:2).

CCA Instructional Values

A personal discovery of God's truth: We value...

- The Bible as the only authoritative source of Special Revelation (absolute truth), and affirm the importance of integrating biblical truth and the character of God into the full spectrum of all curriculum and programs.
- A personal, transformational relationship with God in which each individual forms an authentic relationship with Christ, embraces deep convictions, knows why they believe what they believe, and lives as passionate Christ-followers transformed by God's Spirit

alive in their hearts.

- Each individual as being created in the image of God, and of supreme worth for the purpose of glorifying God. We aspire to encourage personal growth as we provide opportunities for every student to discover and develop their unique gifts and talents.

A life-long love for learning: We value...

- Excellence in the education, development, and maturation of the whole person that promotes a life-long love for learning. We will bear the name “Christian” as a mandate to achieve a high standard of education knowing that as with anything we do, God is to be fully glorified.
 - A well-trained, highly-competent faculty and staff whose devotion to Christ, pursuit of excellence, and love for each and every student makes learning a joy.
 - A challenging academic curriculum (one that is substantive, deliberate and selective), distinctive adjunct curriculum (on-line courses, distance learning, and dual credit options from community resources and beyond), broad, enrichment curriculum (music, drama, art, et.al.), and stretching co-curricular activities (athletics, service-learning, missions, et al). We purpose to deliver graduates disciplined in spirit, capable in action, fully prepared for further study, and participation in community life.

A community united in love: We value...

- Providing quality education in a safe, nurturing, and caring community united in love.
- Learning which complements the home and the church, and in which time and talent are regarded as gifts from God to be used for His service. We believe that God ultimately holds parents responsible for the education of their children. CCA desires to be deeply invested in the greater Capital region, developing affiliations and partnerships with area resources, and serving as a positive role model and friend to families, businesses, ministries, and churches.
- Persons with widely varied racial, ethnic, intellectual and socio-economic profiles. We affirm the spiritual and educational importance of a broadly representative staff and student body, encouraging genuine expressions of godly love for all persons, and honoring all biblically appropriate forms of individual distinctiveness.

A commitment to integrity and service: We value...

- A dedicated and skilled governance board committed to integrity, fiscal responsibility, long-term stability, enduring vision, and sacrificial service.
- The building of integrity and the modeling of serving one another as an intentional and integral part of our educational community. As servant leaders, we recognize our greatest impact on others is not merely through precept but by example.
- An understanding of culture and a heart to serve. We endeavor to create a culture of servant leaders to face the current cultural challenges with moral strength and spiritual discernment, and to be known as the hands and feet of God’s love reaching out to those in need with compassionate care and selfless abandon.

Standards of Life and Conduct

To put these core values into practice, students must commit themselves to abide by CCA's standards of conduct, as well as the laws of our land. The standards below come from eternal principles given to people in God's Word. Consequently, we believe these standards are valid for CCA students at all times and in all places, not just during school hours. Students are asked annually to re-subscribe to the standards. The response of Academy faculty and administration to violations of these standards will be appropriate for the circumstances.

- I will show reverence for God by respecting spiritual life activities and refraining from profane, obscene, vulgar and crude language or behavior.
- I will treat my fellow students with respect and kindness, looking out for their welfare as much as my own. I will refrain from cruel or abusive words and deeds. Hazing or any other initiation practice is contrary to the spirit of our Standards of Life and Conduct and is banned at CCA. Likewise, actions that intentionally exclude, taunt, or intimidate are not allowed.
- I will show respect for my teachers, attending to their instruction and following their directions.
- I will respect others' property. Specifically, I will not steal.
- Respecting others' time and personal rights, I will exercise self-control and not distract others or disrupt a class.
- I will do all I can to build up others and make the Academy a safe and secure place. I will do all I can to promote the good of our school community.
- I will refrain from vaping, tobacco, alcoholic beverages and illegal drugs.
- I will uphold biblical standards of morality concerning sexual activity and refrain from public displays of affection.

Among other things, this means that I will do nothing to demean, embarrass, or otherwise be harmful to others, and understand that my actions on social or technology platforms are covered under this agreement.

Admissions

Admissions Policy

Concord Christian Academy (CCA) is open to students entering grades KR through twelve who are genuinely interested in obtaining a Christian education. As a life preparatory school that

works in harmony with families, there is an expectation that parents will support and cultivate the mission and philosophy of the school within the home.

Students are evaluated on the basis of academic performance (report cards, transcripts, academic testing, etc.), interview responses, feedback from Letters of Recommendation, the anticipated ability to thrive in an academically rigorous program, and the anticipated ability of CCA to meet the student's individual needs.

The KR program is part of the Concord Christian Academy educational system and, therefore, is exempt from licensure by the New Hampshire Department of Early Education and Care.

Elements of Admissions Process

The admissions process is outlined below. All online documents can be accessed directly from the Admissions section of the school website: www.concordchristian.org.

Initial Inquiry – CCA receives word of interest from prospective families in a variety of ways: direct phone calls to the school, email, online inquiries from the school website, and referrals from current families.

Inquiry Follow up – Upon receiving an inquiry, the Director of Admissions will follow up via email with additional information and next steps. Ideally an appointment is established for the immediate future where the parent(s) can come in for a tour, and meet with the Head of School and Dean of Academics.

Submit a Student Application – If a family decides they would like their son or daughter to be considered for enrollment at CCA, they must complete an Online Student Application that can be accessed directly from the school website.

Parent/Student Academic Interview – At some point in the Admissions process a Parent Interview, as well as a Student Interview must take place with the Dean of Academics and Director of Admissions for incoming Middle & High School students. Students entering Rise K4 through 5th-grade must also pass an entrance assessment.

Enrollment Agreement – Once the application has been submitted and reviewed, and the assessment and interviews have been completed, the Admissions Team will determine if a student is accepted to CCA. The parent is notified in writing with either an Enrollment Acceptance Letter or Denial Letter.

Enrollment Fee – Two weeks after the point of acceptance, a non-refundable Enrollment Fee of \$150 is required to secure the student's placement.

Family Tuition Worksheet – One of the major concerns for prospective families is the cost of tuition. To assist with an understanding of the tuition specifics for each family, a tuition worksheet provides a breakdown of all discounts and aid offerings, as well as the final monthly payment particular to their family/student(s).

Additional Information/Forms – Upon acceptance, additional links will be sent to families including various health/emergency contact, Alliance paperwork (if appropriate), Supply List, etc. These forms can be easily accessed and submitted online.

NOTE: New student inquiries and applications are managed independently for each school year. CCA does not carry over a waitlist to future years. In order to re-establish intent to enroll in a subsequent school year, parents must submit an Online Inquiry for their new student during open enrollment in February. Once a grade has reached capacity, a waitlist will be prioritized on a first-come-first serve basis.

Special Services Policy

As a Christian school, we are committed to nurturing the spiritual, academic, and personal growth of each student entrusted to our care. While we strive to support a variety of learning styles and needs, we are limited in the scope of special services we can provide.

At this time, our faculty and staff are not equipped to accommodate students with significant learning, behavioral, or developmental needs that require specialized instruction, therapies, or interventions beyond the general classroom environment. This includes, but is not limited to, students with Individualized Education Programs (IEPs), 504 Behavior Modification Plans, or other intensive support plans. Of course, there may be exceptions to this policy based on individual situations.

With prayerful consideration and out of a desire to serve each child well, we may not be able to accept applicants whose needs exceed the resources and services we are able to offer. We understand this may be disappointing, and we are happy to provide guidance or referrals to programs better suited to meet such needs.

Our heart remains to partner with families in a Christ-centered education wherever possible, and we are grateful for your understanding.

Tuition Policy

A parent/guardian's obligation to pay the fees and tuition for the full academic year is unconditional. All withdrawals must be stated in writing, dated, signed, and submitted to the Director of Admissions. If the student is withdrawn from School, the family is responsible for remaining tuition costs according to the following schedule:

Withdrawal Date *Obligation to the School

1st Day of school	October 31st 50%
November 1st	December 31st 80%
After January 1st	100%

The obligation to the School is calculated by the Annual Tuition Schedule.

Fees are not refundable and due in full.

Fees and tuition outstanding from the prior academic year must be resolved before re-enrollment. No student will be permitted to take midterms and/or final examinations and grades will be marked as “Incomplete” until the account has been paid in full.

Unpaid accounts will result in a non-registration for the following school year. Students will not be permitted to begin classes until all tuition payments due to date for the current and previous years have been made.

Past Due Accounts will be handled in the following manner:

- Any parent/guardian whose account is 30 days past due will be asked to meet with the Business Manager to discuss a payment schedule agreeable to the School.
- Any account which is 60 days past due may result in the student not being allowed back to class until repayment plans have been made. The parent/guardian agrees to fulfill all financial obligations by the required due dates.

The parent/guardian agrees to pay any bank fee incurred by Concord Christian Academy for any check written to the School. Late fees for tuition payments will be assessed through *FACTS* and are payable directly to *FACTS*.

If an outstanding balance is unpaid, the School may terminate enrollment of the student and/or initiate collection proceedings. If collection proceedings are initiated, the parent/guardian will reimburse the School for all costs, expenses, interest, and fees incurred by the School in connection with any proceeding to collect an unpaid balance, including but not limited to attorney fees, collection agency fees, and court costs.

Relationship with the School – The School believes that a positive and constructive working partnership between the School and student’s parents (or guardians) is essential to the fulfillment of the School’s mission. Therefore, the School reserves the right to discontinue enrollment, withdraw an offer of enrollment or re-enrollment, and place restrictions on student or familial involvement or activity at the School, on school property, or at school-related events, if the School concludes that the actions do not allow for a positive and constructive relationship with the School. The decision of the School in these matters shall be final.

Tuition Payment

CCA offers convenient payment options that allow families to pay annually, semi-annually, or over 10 months. All families will enroll in a tuition payment plan through *FACTS* Tuition Management. *FACTS* is a safe and secure platform to draft monthly payments from a bank

account designated by the family.

Financial Aid

New families may apply for financial aid during the Admissions process. The deadline for returning CCA families is March 31st. Below is a list of the different financial aid options that CCA offers.

1. **3% Discount**: Available for any tuition account paid in full by July 31st, regardless of financial aid. The 3% discount applies to tuition only (Comprehensive Fee is excluded from this discount) and will not apply to the bi-annual or 10-month tuition plan. For new students enrolling after July 31st, the 3% discount still applies if paid in full prior to the 1st day of classes.
2. **Ministry Discount**: Available for any family who is currently in a pastoral ministry role at his/her church. This pastor needs to be in a full-time position and will need to provide proof of full-time employment. If these requirements are met, then you can receive up to a 50% discount on tuition. (Comprehensive Fee is excluded from this and any discount at CCA.)

There are two different sources for financial aid: CCA Financial Aid and the Education Freedom Account (EFA). The first step in our financial aid process is completing the EFA application, whether you are new or returning.

Applications for both are required annually.

3. **Education Freedom Account (EFA)**: The EFA was created to expand educational opportunities for children in New Hampshire. Children's Scholarship Fund New Hampshire (CSF) manages all EFA accounts. Concord Christian Academy does not manage or distribute any payments or determine who qualifies for this scholarship. Once a child qualifies for the EFA, regardless of financial status, the funding will renew annually upon a renewal application. For any returning families enrolled in this program, you will receive instructions via email from CSF on how to renew your application. **This CSF email typically goes out in mid-March.** To be eligible for a 100% EFA grant for the 2026-2027 school year, you must submit the application and supporting materials by **July 15th of each calendar year**. The distribution amount is determined by CSF and can vary from student to student, depending on need.
4. **CCA Financial Aid**: CCA utilizes a third-party reporting agency, *FACTS* Grant & Aid Assessment, to objectively analyze each application. **The deadline for this application is March 31st of each calendar year. Your former year tax documentation is required.** All families may access the financial aid application by clicking [HERE](#). Once the process is verified through *FACTS*, CCA will notify you of your financial aid award (maximum threshold of 50% off the published tuition rate for qualified families, fees not included, while maintaining our minimum

tuition obligation per student). If you are adding a sibling, they will be added at this time.

5. **Minimum Family Tuition Obligation:** CCA is committed to making a Christ-centered education accessible through need-based financial aid and the New Hampshire Education Freedom Account (EFA) program. Beginning with the 2026–2027 school year, all enrolled families are required to maintain a **minimum annual tuition obligation of \$2,500 per student**, regardless of the amount of financial assistance received. ,

CCA believes that a family's personal financial investment is an important part of the educational partnership between the home and the school. Families are encouraged to pursue all available sources of financial assistance while maintaining this minimum tuition commitment.

6. **Referral Credit:** Another way for families to experience tuition reduction is through our Family Referral Credit Program. Any family who refers an enrolling family will receive a \$500 tuition credit (per referred family) in the month of Jan/Feb, if the referred student(s) successfully completes their first semester. The new student/family should list the referral family on the student application to receive the credit. The referral credit is available to newly enrolled families as well if they referred another new family during their admissions process. There is no cap to the number of referrals you can receive.
Please Note: The referral credit is applied to the Jan/Feb tuition balance. If the family account is paid in full, the credit will apply to the continuous enrollment fee that typically comes in the month of April. If there is still a credit balance, the credit will apply to the next school year's tuition. The credit will never be returned to a family in the form of cash.

Alliance Program

The Alliance Program is designed to help CCA build a thriving school community. Families who choose to join the Alliance Program are required to volunteer 5 hours per quarter (total of 20 hours annually) if one student is enrolled and 10 hours per quarter (total of 40 hours annually) if two or more students are enrolled. For families unable to volunteer, a sign-up list with equivalent donation suggestions is periodically emailed to allow families to purchase donations that will satisfy their hourly requirements. Alliance Hours are monitored quarterly by the Alliance Coordinator. Failure to complete your annual hourly commitment may result in the reduction of your continued Alliance discount and your participation for the coming year.

Here are the details of how the program can help you receive a tax benefit and reduce your tuition cost based on your commitment to volunteer: If you have signed up for the Alliance Program you will see this credit reflected on our account on a quarterly basis. Failure to complete your quarterly hours by the end of each quarter will result in losing your credit for the next quarter.

Option 1 – Participating Alliance Member

Commit to serve and submit a log of your hours or equivalent donations to the front office each quarter (max of 10 hrs per quarter per family) and the following discount will be applied to your total tuition, based on the number of children attending CCA:

- 1 Student at CCA \$500
- 2 Students at CCA \$1,500
- 3 or more Students at CCA \$3,000

Option 2 – Opt Out (Non-participating Alliance Member)

Here are examples on how to serve at CCA:

- Bring in any baked goods for a classroom event
- Attend & help facilitate classroom events
- Attend & help facilitate field trip events
- Monthly *Alliance* List donations
- Help our Athletic Department with concessions

Non-Discrimination Policy for Admission

Concord Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In addition, since it is our biblical role to work in conjunction with the home to mold students to be Christlike, on those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle that the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant to discontinue enrollment of a student. This includes, but is not necessarily limited to, living in, condoning, or supporting sexual immorality; professing to be a homosexual/bisexual/transgender person or engaging in or practicing homosexual/bisexual/transgender behaviors, as well as condoning, supporting or otherwise promoting such practices; or otherwise having the inability to support the moral principles of the school. (Leviticus 20:13a, Matthew 19:4-6; Romans 1:21-27; I Corinthians 6:9-20).

Parental Agreements

Embedded in our application are a few areas where parents must consent to their agreement to comply with the policies and regulations of CCA. This includes a commitment to support the foundational tenets of the school, as well as to abide by various policies with regard to payment terms, relational reconciliation, student conduct in relationship to teachers, peers, the school facility, its programs, as well as social media policies, etc.

Continuous Enrollment

CCA offers a Continuous Enrollment Policy that allows currently enrolled students, in good standing, to automatically enroll the following year. During the Open Enrollment period, a family will have the option to decline Continuous Enrollment by notifying administration in writing of intent to withdraw. If administration is properly notified, an automatic non-refundable Continuous Enrollment Fee will not be charged to the family account.

Academics

CCA exists to provide high quality academic preparation through the lens of God's Word. The following serve as guidelines for academic policy.

Accreditation

CCA is fully accredited by the Association of Christian Schools International (ACSI) and New England Association of Schools and Colleges (NEASC).

Faculty

Faculty members at CCA are selected with great care. Each is academically qualified to teach in his/her assigned teaching area and possesses, or is working toward an Association of Christian Schools International (ACSI) teacher certificate. Spiritually, all faculty members are Christians who are committed to education in a Christian school and specifically CCA.

Posting Grades

Teachers will aim to update students' grades and post them on FACTS Family Portal for students and parents to review by Sunday of each week. A FACTS (Renweb) progress report will be automatically sent to each family for each of their students on Sunday evening.

Grading System

CCA operates on a 4.5 grade point system for Dual Credit and Advanced Placement (AP) classes and a 4.0 system for regular classes. Grade point averages are calculated and recorded for each semester in grades 9 through 12. The following chart illustrates the grading scale used in both regular and honor classes.

Percentage Grade	Letter Grade	Regular Grade Point	Honors Grade Point	AP/Dual Credit Grade Point
95–100	A	4.0	4.2	4.5

Suggestions to Help Students with Studies

There are three universally accepted study habits that almost guarantee success in school:

- Do all assignments completely.
- Hand them in on time.
- Ask questions when you don't understand.

If a student will follow these faithfully, he or she will surely not fail and most likely will do very well. Other suggestions for success in studies:

- Students should have an organized and complete assignment notebook.
- Keep distractions of any sort to a minimum.
- The hours reserved for study should be planned as much as possible.
- Show interest in your child and in his or her work. Research and common sense both confirm that the most successful students also have involved and interested parents who encourage and support their children as well as model hard work in their own lives.
- All necessary tools and materials for work should be available, including paper, pen or pencil, ruler, books, calculators or computer, and other helps.
- Emphasize learning and appreciation, not just marks or grades. Reading and studying are as important as written assignments.

Support Services for Students with Learning Differences

CCA is committed to making it possible for all enrolled students to experience academic

success. Parents or students should contact the Dean of Academics if they believe formal academic support is needed.

The role of CCA will be to help the student gain confidence and skills to minimize the effects of any learning disability or difference. Accommodations and/or modifications will be made as determined appropriate and/or necessary for the purpose of enhancing students' opportunity for academic success. Generally, this process may involve a conference with any of the following: the involved student, the student's parents, the student's teachers, the Dean of Academics, and the Special Services therapists and tutors.

There is an additional cost for special education services.

Accommodations and Modifications

Accommodations are adjustments and revisions to process without any reduction in the amount of work the student is expected to complete.

Modifications are adjustments in expectation for performance and/or the amount of work students will be required to complete for a given grade.

As appropriate, modifications will be documented on the student report card as indicated on the ISP for a particular course.

Homework Policies

CCA believes that meaningful homework will contribute to the academic success of students. It is our goal to give homework that reinforces concepts learned, provides independent practice for new skills, or prepares the student for the next major concept, thus increasing the student's ability to think, reason, and respond.

- Teachers in grades K-5 will assign on average 5-10 minutes of homework per grade level.
- Teachers in grades 6-8 will assign on average 60 minutes of homework.
- Beginning at the high school level, students will have on average 15-20 minutes of homework per class per night when homework is given, except for honors classes and dual credit courses, which may be as much as 30 minutes on nights that homework is given. All high school students have one study hall each day. The study hall is designed for students to use their time to complete their homework and to work with their classmates on projects or interactive assignments.

The time required to complete daily homework assignments can vary greatly from student to student due to individual differences. Teachers provide estimated timeframes based on how long the assignment should take most students, assuming consistent and appropriate effort. Please refer to the earlier sections on **Support Services** for students with learning differences and **Accommodations and Modifications**, as these may also apply to homework assignments. As a general rule, school vacation times including Thanksgiving, Christmas, winter break, and spring break may have differing levels of assignments depending on the school levels:

- Elementary School: Independent reading and online assignments from IXL and Reflex.
- Middle School and High School: Independent reading, online assignments, and class projects.
- Dual Credit: Major papers and class projects to fulfill syllabus requirements.

Grading and Evaluation

The classroom teacher evaluates student progress by using a variety of assessment tools including class participation and feedback, presentations, projects, tests, quizzes, labs, activities, and reflection journals. Tests or quizzes may be given on any day of the week with the goal that no student will have more than two tests per day.

Students are required to complete assignments daily. If a student does not complete the assignment, an “M” for missing will be entered into the grade book. Parents will be notified automatically from the Facts parent portal regarding the missing assignment. Students who do not complete assignments will be assigned help class from 3:00-3:30 by the subject teacher in order to complete the assignment.

Dual Credit Program

A dual credit course is a college course taken by a high school student for which the student earns both college and high school credit at the same time. Most courses are taught at the CCA campus during high school hours by CCA faculty with masters’ degrees in their particular field. The Dual Credit Teachers are adjunct professors with the NH Community College and University system. The dual credit program enables students to make substantial progress towards their college degree before finishing high school. Students who begin taking courses in their junior year can earn up to one plus years of college credit by the time they graduate from high school.

What are the benefits of enrolling in a dual credit program?

There are many. Below are just a few of the benefits

- **Graduation Requirements with a challenge.** Dual Credit courses are useful in fulfilling the requirements of an Honors graduation program.
- **Convenience.** Most courses are taught on the CCA campus. Students may also choose to take specialized courses at through Early College.
- **Low Cost.** Taking dual credit courses cost less than regular college courses. Dual credit courses have an additional fee of \$150/3 or 4 credit course.
- **Student Success.** Successful completion of college-level courses helps the student to be successful in making the transition to a college campus later. The Dual Credit program provides the academic rigor and challenges of college coursework thus assisting students in acquiring the confidence to succeed academically in college.
- **Transferable.** Dual Credit courses are fully transferable to many public and private colleges and universities. Students should verify course transfer requirements with colleges they plan to apply to.

Concord Regional Technical Center (CRTC)

The Concord Regional Technical Center (CRTC) program provides specialized career and technical education on the campus of Concord High School. This program is available to juniors and seniors at CCA who have excellent attendance, high completion of work, and outstanding academic performance.

Semester and Final Exams

Families are asked not to plan vacations during these times if at all possible, particularly the last week of each quarter and semester. Exams occur the last days before Christmas vacation and finals occur the last days of the school calendar.

Assessment

CCA utilizes Aimswebplus as an official standardized assessment tool for grades K5-8. Aimsweb is completed three times a year (fall, winter, and spring). This enables the school to monitor progress early in the year and to provides strategies for improvement.

Grades 9-11 take the PSAT test on campus as an official standardized score. Students in grades 11-12 may choose to take the SAT or ACT at their local high school. Students may also take the CLT (Classical Literature Test) as a substitute for the SAT and ACT. Oftentimes, Christian colleges may substitute the CLT for the SAT and the ACT.

Report Cards

Academic grades, conduct, and teacher appraisals of progress will be reported on a nine week basis. Report cards are distributed to students approximately one week after the conclusion of each quarter. Report cards are sent electronically through FACTS (Renweb) for quarters 1-4 for grades K-12. Parents and students may log onto FACTS Family Portal to check grades and assignments at any time.

Note: All tuition payments must be up to date for students to take midterms and finals.

Honor Roll

Numerical grade determines placement on the honor roll at each semester grading period. The two levels of honor roll begin in 4th grade and are as follows:

- High Honors 93% or higher = all A's
- Honors 85% or higher = all A's and B's

Student Activities Policy

Student activities are seen as a vital component of a well-rounded educational experience. They are designed to provide a training ground for all students to acquire skills that will enable

them to live full and productive lives impacting their community. We believe it is necessary that our balanced curriculum include activities outside the core academics that stimulate cultural and social diversity, promote individual development and identity, and develop the ideals, principles, and practices of engaged citizenship.

The student activity program is evenly distributed between boys and girls. All students are encouraged to participate in activities at all grade-appropriate levels.

Concord Christian Academy seeks to establish a connection between the rich and varied opportunities afforded students and the fulfillment of our school mission:

Concord Christian Academy is a life preparatory educational institution that works in harmony with families to promote the spiritual, intellectual, emotional, physical and creative growth of students, empowering them to live for the glory of Jesus Christ.

Students must maintain a minimum of a quarterly 2.0 GPA with no failing grades in order to participate in extra-curricular activities.

In the student activities program the student will be expected to:

- Actively value and honor the similarities, differences and contributions of every individual as a unique and contributing member of CCA.
- Be a positive ambassador and representative of the values, mission and vision of CCA.
- Demonstrate active care for the emotional, physical, spiritual, social, and intellectual well-being of every individual within and outside of the school community.
- Demonstrate good stewardship in the management and development of personal talents and skills as well as institutional resources.
- Serve as a positive role model to foster Christian character, leadership, unity, and community in seeking to glorify God and build His kingdom.

Athletics

CCA maintains a full athletic program for all enrolled students in middle school through high school. Elementary students are offered a variety of clinics and sports programs depending upon age level. Participation in sports allows opportunity to learn life lessons in the context of teamwork, as well as to participate in the life of the school. Families should also be aware that athletes have specific attendance requirements on the day of a contest if they are to participate.

Sports and Extracurricular Activity Eligibility Guidelines

- A student is ineligible if they earn an **F in any one class** or **two D's in core classes** on their quarterly report card.
- No more than 5 behavior demerits in a grading period.
- Previous Grading Period: Indicates the last prior grading quarter of the school year (not semester grades)
- If students do not meet eligibility criteria, they can apply for a one time waiver through

the athletic office and approved by the Dean of Academics and the Head of School.

Attendance Policies

A key part of the CCA school experience involves active participation: listening and interacting with students and teachers, asking meaningful questions, and engaging in thoughtful discussion and debate. These experiences are only possible when a student is physically present in the classroom. They cannot be replicated simply by completing missed assignments.

Consequently, attendance is required, monitored, and recorded at CCA. Students must arrive to class on time with textbooks, and required materials. They should not expect to be excused except for emergencies.

Regular attendance at CCA is required by law and is essential for several reasons. First, many classroom elements—lectures, explanations, Q&A sessions, audio-visual presentations, and other activities—cannot be duplicated outside the classroom. Students who are frequently absent or tardy inevitably miss important instruction, which leads to reduced understanding, increased difficulty in learning, and ultimately, lower academic performance. Second, we intentionally cultivate habits of responsibility, accountability, and punctuality—traits that are not only foundational to academic success but are also expected by colleges and future employers.

Finally, as an independent school with significant tuition costs, we are committed to providing students with the full educational value their families are investing in. It is the rare student who can miss class without experiencing a decline in learning and, consequently, a drop in their grades.

Consequently, attendance is required, monitored and recorded at CCA. Students must arrive to class on time with textbooks and required materials. They should not expect to be excused except for emergencies.

Regular school attendance is required by law and is necessary for good participation. CCA utilizes an application called SchoolPass and this is where parents can notify the school to report their student's absence by 8:30 a.m. Please include the reason for your student's absence with this notification. This allows the school to recognize patterns of illness and respond appropriately. The following guidelines will govern attendance procedures:

School Absences

Absences will be considered in two categories: illness-related and family-initiated. Absences from all categories will eventually be labeled as excused or unexcused.

Illness-Related

Parents of absent students are required to call or email the school office each day of an excused absence by 8:30 a.m. through our school application called SchoolPass. Illness, doctor appointments, and hospitalization all fall under this category. If a student has an

appointment, they will be required to give the receptionist a doctor's note when they return to school. If the illness is projected to keep the student out of school for more than two days, the family may wish to get assignments from teachers by going to FACTS Family Portal, or by emailing the classroom teachers and school office directly. In an excused absence students will be given the opportunity to make up work.

Illness & Exclusion Policy

Although some illnesses do not require exclusion, a student may be excluded from school when they exhibit symptoms of a contagious or communicable illness. These instances would require a student to be excluded from school to prevent the spread of infection and to allow the child time to rest and recover. When making the decision to send a child home, please understand that we must take into consideration your child's health as well as that of the other children, staff, and faculty.

Temporary exclusion is needed in the following illnesses:

- Fever of 100 degrees F or more. May return once the student has been fever free for 24 hours without fever lowering medications.
- Rash: If a student arrives at school (or develops while at school) with a contagious or questionable rash. The student will be sent home and a licensed healthcare provider's note will be required for re-admittance.
- Contagious infection requiring an antibiotic: Exclusion to extend for 24 hours after treatment has begun.
- Red, itchy, gooey eyes: If bacterial conjunctivitis, exclusion to extend for 24 hours after treatment has begun.
- Head lice: Exclusion to start at the end of day and extend until treatment has been completed. Please notify the school if you suspect your child has head lice. ●
- Mononucleosis: Exclusion as per doctor's recommendation
- Norovirus diarrhea and/or vomiting exclusion is required for 24 hours after symptoms resolve without medication; however, a 48 hour exclusion is recommended. A required 48 hour exclusion may be enforced during certain times of the year or if an outbreak occurs.
- When returning to class, symptoms should be classroom manageable.

A licensed healthcare provider may determine the child's condition does not require exclusion and documentation of such should be provided to the health office.

These lists are not all-encompassing and may be revised as appropriate. A licensed healthcare provider's re-admittance slip may be requested at the discretion of the Head of School or school nurse. In the event of an outbreak of vaccine-preventable disease at Concord Christian Academy, the State Health Director may exclude unimmunized children from the school for his/her own protection. This exclusion will last until an incubation period from the last identified case of the communicable disease has passed as per the NH Religious Exemption form.

The health of your child and readiness to learn are greatly intertwined. If your child does not meet any of the above criteria, but in general does not look well, we may ask you to come pick up your child until he/she is able to return to full participation in the classroom.

If a student is a driver and determined able to safely drive home, the school nurse or non-licensed assistive designee will place a phone call to the parent requesting verbal permission for the student to leave school. No student driver, regardless of age will be allowed to leave school due to illness without permission of the parent.

The school is required by law to report specific communicable disease, or suspicion of such, to the Public Health Department in accordance with NH Public Health Laws. A complete list with requirements for reporting can be found at:

<https://www.dhhs.nh.gov/sites/g/files/ehbemt476/files/documents/2021-12/reportablediseases.pdf>

Excessive Absences

A large component of granting credit for all HS classes is determined by actual time spent in the classroom in addition to performance on tests, quizzes, projects, and homework. New Hampshire RSA 189:35-a states that students may not have more than 5 full day unexcused absences in a school year. CCA has a provision for **8 absences within each semester**.

Juniors and seniors are permitted two days **per semester** for college visits. Beyond those 2 days per semester, college visits are counted as unexcused absences. **However, if any student, EL, MS, or HS exceeds the semester limit of 8 absences in a class, a student will receive a 1 point deduction for each additional day on the semester grade for that class.** A parent/student conference will be held with the Dean of Academics and Middle School or High School faculty team for students who have excessive absences. Extended illness, with physician's validation, or other extenuating circumstances, as approved by the administration, may be given special consideration.

All unexcused absences for family vacations, college visits, or other absences planned during the school year require administration approval by the Head of School and the Academic Dean at least two weeks in advance. A form for consideration can be found on the CCA website under Forms and Policies. All work missed during the unexcused absence must be completed within five school days after returning.

***Students who exceed the 8 absences in a class per semester due to extenuating circumstance may appeal to the administration in writing with the reasoning for the excessive absences.

Make-up Policy for Work Due to Excused Absence

The amount and type of makeup work and the time frame in which it is due is at the discretion of the teacher and may vary from class to class. The student will be responsible for completing all requested work in the time frame allocated and teachers will describe their make-up policy regarding tests and quizzes in the syllabus. In excused absence situations, students may normally have one school day for each day of absence to make up all work, up to a maximum

of five school days for an absence of five days or longer. After the prescribed time for completing makeup work expires, the latework policy for the individual classroom teacher applies. Extended illness, with a physician's validation, may be given special consideration.

Tardiness

It is the responsibility of each student and parent to ensure that he or she is punctual. Students must be in their class promptly at 8:00 a.m., as attendance will be taken at this time. Therefore, it is the expectation that students will arrive at the building no later than 7:50 a.m. A tardy will be given when a student is not in the classroom, with all materials needed, by 8:00 a.m. We recommend students get dropped off early enough to leave them ample time to go to their lockers and make their way into their class for the 7:50 a.m. requirement.

Thursday Delay Opening: Every Thursday, unless otherwise noted, there is a delayed opening. Students must be in their first period class promptly at 9:00 a.m., as attendance will be taken at this time. Therefore, it is the expectation that students will arrive at the building no later than 8:50 a.m. A tardy will be given when a student is not in the classroom, with all materials needed, by 9:00 a.m.

Middle School and High School students who are tardy to school must obtain a Late Slip from the receptionist, which indicates the reason for the tardiness. The late to class policy will follow the same guidelines as the unexcused to school tardy policy.

The following consequences will be issued for students with unexcused tardies:

Semester Tardy Policy

An official notification will be sent to parents.

1st Tardy - Warning

2nd Tardy - Warning

3rd Tardy - 15 minute Community Service

4th Tardy - 30 minute Community Service

5th Tardy - 45 minute Community Service

6th Tardy - 45 minute Community Service

7th to 10th Tardies - 60 minute Community Service along with an administrator communication stating the severe consequences of reaching the 11th tardy.

11th Tardy will lead to a parent/administrator conference and will result in a 1-day in school suspension where the student will complete a full day of community service. Student will be placed on an attendance contract that if broken, will result in expulsion from CCA.

Leaving During the School Day

Students who must leave school during the day because of illness or appointment must check out through the school office using SchoolPass. Appointments and other planned events must be validated with a note, email, or telephone call **beforehand**. Students will be required to give their doctors note to the front desk within 24 hours of the appointment and the note will remain in the students health file. It is important that students are in school the full day and that early dismissals are not excessive. A parent conference will be scheduled for students who accumulate excessive early dismissals.

Senior Privilege

Seniors are permitted to leave campus during study hall periods **provided they are not on academic or behavior probation**. Otherwise, they must remain on campus until 3:00 p.m. Seniors may also leave campus during lunch but **must return on time for their 5th period class**. In order to utilize senior privileges, a **Senior Privilege Waiver** must be signed by a parent or guardian and submitted to the school office.

School Cancellations or Delays

During the school year we may receive snow, ice storms, flooding, etc., that make driving unsafe. Sometimes school will be canceled, but more often the opening of school will simply be delayed to allow for plows to clear the streets and for most traffic congestion to subside.

When the administration cancels school or delays opening because of inclement weather, the following resources will be contacted to broadcast closure:

- TV Channel 9, WMUR by 5:45 AM
- ParentAlert text sent to all families by 6:15 AM

In the event that school is canceled, this will include all afternoon and evening sports and enrichment activities planned for that day. In the event of a Delayed Opening, students will be expected to be in their classroom with all materials needed at 10:00 a.m. as attendance will be taken at this time. Students should arrive by 9:50am. Students should come to school having eaten breakfast and a snack.

When students are unable to be in the classroom due to faculty professional development, inclement weather, or other natural disaster, CCA offers asynchronous learning. An asynchronous school day is a remote learning day that includes digital and online instruction designed to engage student participation in a self-paced environment.

Student Life

Chapel

One of the wonderful privileges of attending a Christian school is the opportunity to include specific worship time as part of the school day. CCA conducts regular chapel services designed to engage us as a school community in common worship of the Lord. The service will include speakers such as area youth pastors and CCA teachers, as well as programs of interest to students and adults, and will be interdenominational in perspective.

Community Service

CCA values community service. High school students are required to serve a minimum of ten hours per year.

National Honor Society

The National Honor Society is an organization that is dedicated to honoring high school students who have displayed the qualities of Scholarship, Leadership, Character, and Service during their high school years. Students must have earned a 3.7 or higher GPA by the end of the first semester as a junior or a senior. Students must abide by school guidelines including dress code, tardies to school or class, completing assignments on time, as well as showing respect for authority. All students must be approved by the faculty.

Once a student has been accepted into the NHS, they will be expected to adhere to the above pillars of the NHS as well as all CCA guidelines, academic standards, and excellent behavior. Should a student not meet these standards, they will meet with the Dean of Academics and the NHS advisor to discuss the potential of a probation period, or a temporary suspension from the NHS. Severe infractions may result in removal from the NHS for failing to abide by CCA

guidelines and standards. This decision will be at the discretion of the Dean of Academics and the NHS advisor and a recommendation will be made to the Head of School for final action.

Dress Code Policy

Student Dress & Appearance

Concord Christian Academy has implemented a dress code policy to promote academic excellence and wholesome values. CCA Administration works in partnership with parents to promote these values. The policy provides a framework to foster character development as students grow in wisdom and make decisions regarding personal attire. CCA encourages clothing that is appropriate in the classroom and considerate of the school community. The standard of appearance is not designed to measure a student's spirituality or define boundaries for a student's lifestyle.

Disclaimer

CCA Administration has the authority to make final determinations regarding appropriate apparel. Administration has discreet authority to make modifications or exceptions to the dress code policy as conditions warrant. The policy will remain in effect during regular school hours unless express permission is provided by CCA Administration. At the discretion of the Administration, Dress Code policy may be altered during Spirit Week, field trips, community service days, and game days for athletes.

- Students will not be permitted to attend classes and will be sent home if they are not in restricted dress code.
- The dress code monitors have the final discretion on what is and is not acceptable according to the dress code.

Photo Exclusion Policy

Note that pictures taken on campus of classes, activities, events or students of Concord Christian Academy become the property of CCA. As such, they may be posted on the CCA website, Facebook page, Instagram page or other social media platforms. Parents with a concern regarding the publication of their child's picture will be given the opportunity to complete an annual Photo Exclusion Form at the beginning of each school year. Pictures taken

in a public venue (i.e. sports or public ceremonies by area newspapers, yearbook, etc.) fall outside these restrictions.

DISCLAIMER: This photo policy includes the institution of Concord Christian Academy ONLY and does not include pictures that others may capture from a school-sponsored activity, sporting event, or concert. CCA is not responsible for photos taken by individuals outside of our school faculty and staff.

Harassment Policy

Harassment takes away from the dignity of both victims and perpetrators and may lead to their psychological or physical harm. Harassment offends our Lord and greatly corrupts the Christian community and society at large. As a Christian community, we must be about the promotion, not diminution, of human dignity. Therefore, the Concord Christian Academy community remains committed to its standard of conduct:

CCA seeks to prepare young people for living according to Christian principles, and here and now we seriously intend to be a community that lives together in harmony with the teachings of Jesus Christ.

Specifically, we share the values of:

- Glorifying God: We seek to glorify God in all activities and relationships.
- Respect: Each person is created in God's image and therefore will be treated with respect.
- Honesty: Our relationships and academic performance will be based on honesty and fairness.

We also affirm God's righteousness as the foundation of our belief and practice. The Scriptures remind us of God's creation of all human beings in His image, His acknowledgment of human diversity, His unconditional love for His people in Christ and His command that we love likewise and act justly. Since harassment is not in keeping with these imperatives, CCA will not condone nor tolerate harassment of one member of the community by another, including physical or sexual harassment, racial or ethnic innuendoes and derogatory remarks, or any other such activity which tends to defame, ridicule, demean, intimidate or embarrass a community member. In this document, "harassment," covers single instances as well as repeated incidents of such behavior whether it is for racial, physical, behavioral, gender, or other reasons.

It is important for individuals who think they have been harassed to promptly report the incident to the Head of School and Dean of Academics. Any such complaint will be pursued according to the procedures described below. All allegations of harassment will be immediately investigated. CCA shall not tolerate the mishandling of complaints by authorized personnel or negative responses to an individual after making a complaint. Violation of this policy will result in disciplinary action up to and including dismissal or expulsion.

Student Safety, Violence Prevention, and Bullying

All students have the right to attend school and school-sponsored activities that are safe,

secure, and peaceful environments. Students should be protected from all forms of physical, emotional, and psychological bullying and cyberbullying.

It is the intent of CCA's policy to protect children from physical, emotional, and psychological harm by addressing bullying and cyberbullying of any kind in the school, and to prevent the creation of a hostile educational environment. Please see the link below for the full policy and procedure for reporting.

Specific Policy on Sexual Harassment

Sexual harassment conflicts with CCA's standards of conduct, and it will not be tolerated. It is prohibited by law, as is any type of retaliation upon a complainant. Therefore, all reported cases of sexual harassment will be taken seriously and investigated promptly.

Sexual harassment includes, but is not limited to:

- unwelcome sexual advances
- requests for sexual favors
- sexual slurs, jokes or innuendoes
- displays of sexually suggestive objects or pictures
- discussions of one's sexual activities
- sexually suggestive language or gestures
- physical abuse or sexual assault
- inappropriate petting, touching or pinching
- other verbal or physical contact of a sexual nature where:
 - submission to such conduct is either an expressed or implied term or condition of employment or favorable evaluation;
 - submission to or rejection of such conduct is used as basis for an employment or evaluation decision affecting the harassed person, or
 - such conduct has the purpose or effect of unreasonably interfering with an individual's work or class performance or creating an intimidating, hostile or offensive environment.

Procedures

Notification procedures are available to any member of the CCA community who thinks he/she has been harassed within the CCA community. These procedures are intended to facilitate the treatment of each person on our campus with respect, dignity and Christian charity. We hope that we can confront and reprove harassment within the community through informal procedures. However, if informal procedures do not result in satisfactory reform, a formal procedure is available.

Informal

The informal procedure consists of an unwritten request for advice or counsel to evaluate perceptions or clarify issues. Students may seek out the Head of School or Dean of Academics. If resolution is not achieved by the informal procedure and the person wishes to pursue the matter, he/she should document the informal steps taken and then follow the formal procedures as outlined below.

Formal

A complaint should be filed with the Head of School. The Head of School will, in turn, notify the Chairman of the Board of Trustees. In all cases the complainant must present in writing a description of the problem. Written complaints shall be filed as near in time to the actual incident(s) as possible. The appropriate official will initiate an investigation including discussion with all parties. An ad hoc committee may be appointed to investigate the case and make a recommendation for action. A decision shall be made within 10 working days of the date the complaint was submitted. If the administrative official finds that harassment has occurred, disciplinary action will be taken by the Head of School.

Miscellaneous Policies

Equipment

School equipment and property (vehicles, sports equipment, desks, lockers, etc.) are to be treated with care and used properly. Any damaged or broken equipment should be reported to the staff member in charge. Students are responsible for damage or breakage that they cause, and their parents will be billed for damages.

Textbooks

Non-consumable books belonging to the school must be covered at all times with appropriate book covers. The textbooks are expensive and usually must last 5 years before replacement. Damaged or lost books are the responsibility of the student to whom they were issued. The student will pay the replacement cost for lost books or books damaged beyond repair. Fees for book damage will be determined and assessed by the teacher. Students are not to mark any non-consumable textbook with pencil, pen, or highlighter. If a student finds this practice helpful for learning; however, the teacher and the school office should be contacted regarding purchasing the textbook personally.

Language

Students are expected to use nothing other than wholesome language at all times (Ephesians 4:29). This precludes coarse talking, vulgarity, ridicule, gossip, angry outbursts, and slander. In the book of James, we are reminded that the tongue is the most difficult part of our body to control (James 3:8). It is natural to want to “repay evil for evil” when we are wronged, and in many instances we use our mouths to do just that. This applies to all forms of communication, and in all settings, on or off school property.

Lost/Stolen Items

Unfortunately, CCA cannot be responsible for lost or stolen items at school or on school grounds. Students are discouraged from bringing valuables or excessive cash to school, since the student will assume all liability for any personal items brought to school. Lost and found is kept near the reception area. Outerwear and personal items should be clearly labeled. Lost and found items will be donated to charity at the end of each quarter.

Elevator

Students who have difficulty using the stairs because of a physical disability or injury should request permission from the office to use the elevator. No one except the specific person who has been given authorization may operate the elevator.

Snack/Lunch

Secondary students are permitted to have a snack during the third period in their classrooms. Snacks should be ready-to-eat (no microwavable foods), consumed relatively quickly, and without creating a messy workspace.

Lunch ordering will be communicated by the lunch coordinator and ordered through Facts/RenWeb.

Lunchroom expectations:

Students are expected to wisely use their lunch time to eat, use the restroom, and refill their water bottle. Secondary students will participate in cleaning their area (table, seats, and floors) before leaving the lunch area.

Medication Policy

The safe and effective use of medications for the treatment of illness and chronic conditions has enabled many students to attend school with a minimum of absenteeism. This has helped remove barriers to learning and enhanced the educational process.

Administration of Medication

- In the absence of the school nurse, a school designee may assist students in taking required oral or inhaled medications by making medication available to the student as needed and by supervising the student as he/she takes the medication.
- The designee must check for the right medication, the right dose, the right person, the right route, and the right time.
- The designee must document the administration of any medications in the student's electronic health file.
- Medications will be stored in a locked cabinet used for medications only.

Over-the-Counter/Non-Prescription Medications

- A list of OTC medications available in the school's Health Office will be sent home for each student prior to the first day of school each year. This list will be included on the Over-the-Counter Medication Administration permission form.
- Non-prescription medication will be given with the written request and permission of the parent/guardian. Each student will return an Over-the-Counter Medication Administration permission form with indicated OTC medications the student may take with supervision, signed by the student's parent/guardian. This form must be on file before any OTC medications will be administered to the student.
- If a student's parent/guardian requests that the student take an unstocked OTC medication, this must be requested in writing with the name, dose, and time of the medication to be administered. The OTC medication must be provided by the parent/guardian in the original container.
- Students are prohibited by state law from carrying any form of medication on their persons.
- The parent/guardian of any student will be notified of OTC medication administration during the school day by email.

Prescription Medication

- It is recommended that prescribed medication not be taken during school hours if it is possible to achieve the same health management regimen by taking the medication at home. If a prescribed medication is medically necessary during school hours the school nurse will discuss this with the parent/guardian.
- The school office will ensure that a written Prescription Medication Statement from the licensed prescriber is on file in the Health Office.
- This statement must include:
 - Student name
 - Name and telephone number of the prescribing health care provider
 - Frequency and time of medication administration/assistance
 - Date of order
 - Diagnosis and any other medical conditions/medications
- The school nurse will ensure that there is written authorization by the parent/guardian

requesting that the medication be given at school. This authorization must include: ○ Parent's/guardian's printed name and signature, home and work phone number, and emergency phone number

- List of all medications student is currently receiving.
- The prescription medication must be in a pharmacy or manufacturer labeled container.
- Information on the container must include the name of the drug dosage, route of administration, frequency of dose, student's name, and name of prescriber. ● A parent/guardian or designated responsible adult must deliver all prescription medication to be administered by school personnel to the school nurse or school receptionist.
- All prescription medications will be stored in a securely locked cabinet used exclusively for medications. Prescription medications requiring refrigeration will be stored in a locked area in a refrigerator behind front desk.
- The school office will communicate significant observations relating to prescription medications effectiveness and adverse reactions to the student's parent/guardian and/or licensed prescriber.
- No more than a 30-school day supply of the prescription medication will be stored at school.

Medications and Field Trips

- A copy of the medication permission form will accompany the student on the field trip. A designated adult will be responsible for the permission form and medication. ● The designated adult will notify the specific student and carry the medication in the original pharmacy container during the trip.
- The designated adult will make medications easily available to the student as needed, and observe students as they take the medication.
- Medication administration must be documented and attached to the student's school health file in the Health Office.

Disposal of Medication

- Unused prescription medication must be picked up by the parent/guardian within ten days of the expired time limit of the physician order, or the medication will be disposed of by the school nurse and documented.
- Unused medication kept for the school year, e.g. inhalers, epipens, OTC medications, must be picked up by the parent/guardian on the last day of school, or the medication will be disposed of by the school office and documented.
- The school office will email medication pickup reminders to parents/guardians.

Disciplinary Procedures

Philosophy of Discipline

Establishing an environment conducive to learning is one of the most critical tasks that a classroom teacher faces. Whether it is called discipline or classroom management, the same is true: learning occurs best when the student is prepared to learn. Individual students' lives and their conformity to the standard of God's Word are focal points. Educators in a Christ-centered school are instruments to be used by God to instill in young people godly attitudes and actions that glorify the Lord. This is a task that takes a lifetime to develop. Formal education is a small but significant part of the process. Hebrews 12:5-11 provides a foundation for discipline in the Christ-centered school classroom. The following principles are gleaned from these verses:

- Discipline is not to be regarded lightly. It is serious business. (Hebrews 12:5).
- Discipline involves instruction as well as the consequences for poor choices. (Hebrews 12:6)
- Discipline is evidence of love and belonging. (Hebrews 12:9)
- Godly discipline produces respect and honor toward one another. (Hebrews 12:9)
- Discipline should direct us to a greater awareness of God the Father. (Hebrews 12:9)
- Discipline should be purposeful. (Hebrews 12:10)
- Discipline should ultimately make us more like Christ. (Hebrews 12:10)
- Discipline for a time is painful, not pleasant. (Hebrews 12:11)
- Righteousness and peace are the results of being trained through discipline. (Hebrews 12:11)
- Results are not always immediate. (Hebrews 12:11)

A single thread through this passage of Scripture is the need to be habitual in the training process. In order to be successful, discipline must be regular and consistent. The specific application of the above principles in the classroom is one of the most important tasks a teacher faces. Our rules and procedures are established to help achieve the development of godly character in students.

CCA does not utilize child restraint or seclusion techniques, as defined in New Hampshire RSA 126-U, in the management of its students.

Disciplinary Procedures

Students will be clearly informed of various rules and procedures at the beginning of the year. They may also need periodic reminders about specific issues. The focal points will be respect, responsibility, and relationship. Students will be responsible for their own behavior. We work as

a team in the development of these areas. Our goal is to promote students becoming responsible for their choices and to develop character that will please God, bless others, and bring peace and joy to their own hearts.

Elementary Progressive Discipline

The clear explanation of rules and expectations is the first step in promoting a positive atmosphere of self-control for the elementary school. When behavior is inappropriate, consequences are administered as the next step. Natural consequences are the most common discipline method. For instance, if a child defaces another child's property, the offending child is required to make restitution. Should a child repeatedly disobey or disturb the classroom learning environment the principal will become involved. Parents are frequently contacted in these situations letting them know what behavior the student exhibited and the consequence the principal has determined would be appropriate. The goal of each step in the discipline process is to encourage the child to make choices that result in appropriate behavior and to teach students to be involved in their own character development. When the above steps are not successful, the discipline process continues. The goal remains the same, yet the consequences for the child become more serious.

MS/HS Discipline Policy

FACTS Family Portal automatically tracks the discipline record of each student. Parents may view this information daily.

Academic Infractions – missing, incomplete or late work

- An "M" is entered into the gradebook when students are missing an assignment, and parents receive an email automatically from Facts/Renweb. Students will be required to attend help class to complete assignments missed. Help class is held from 3:00-3:30 daily. Students not completing work within a week of the assignment will be issued a zero.
- Behavioral Infractions (Starts over each quarter – 8 weeks)
- Demerit Offenses: Consuming food or drink when not approved, classroom disruption (failing to remain seated, blurting out during class, disrespectful to classmates, etc), horseplay (running, knocking over chairs, spraying water bottles, etc.).
- Demerit and after school cleaning work detail: Minor disrespect (arguing with the teacher, interrupting during instruction time, not meeting classroom expectations and procedures, etc.), disobedience, deception, swearing, cheating, and plagiarism.

No. of Demerits Consequences for behavior demerits:

1 Warning

2 After school cleaning work detail for 30 minutes

3 After school cleaning work detail for 30 minutes

4 After school cleaning work detail for 60 minutes. Official notice will be sent home that the student will be ineligible for sports and extracurricular activities and will be placed on disciplinary probation after the next demerit. Behavior Management plan created with administration and student.

5 Student/Parent/administrator meeting and student is placed on disciplinary probation which includes the following:

- Ineligible for National Honor Society Application or Renewal
- Ineligible for sports team and extracurricular activities for the remainder of the quarter

6 1 day suspension

7 2 day suspension

8 3 day suspension or expulsion

Suspension or Expulsion

Suspension or expulsion is reserved for serious infractions. The following list of behaviors may result in suspension or expulsion from Concord Christian Academy: showing disrespect, swearing, stealing, cheating, deception, defacing property, skipping classes, skipping school, bringing or showing obscene and offensive materials or media to school and/or school functions, smoking, drinking, vaping, using drugs, bringing weapons to school, engaging in immoral conduct, threatening or intimidating students, sexual harassment, earning an excessive number of demerits, and/or demonstrating a consistently poor attitude and/or other major violations. All suspensions and expulsions will be conducted in conjunction with a parent/guardian and administration conference. If suspension or expulsion is not the result, demerits will be issued.

Sexual Immorality

The Bible has strong words warning each of us to refrain from sexual immorality (I Corinthians 6:18-20). Involvement in immoral behavior by any student at any time, on or off campus, may result in immediate suspension from school for up to five days, and the administration may make a recommendation whether to proceed with expulsion.

Stealing

Removing school property or another person's personal materials without permission or proper checkout procedures is considered stealing. Also, to "find" something (e.g., a book, calculator, jacket, money) and not immediately return it to its owner or turn it in to the office may also be considered stealing. The consequence for stealing will be determined by the administration but may include immediate suspension for up to five days with consideration of expulsion. All instances of stealing will require restitution in addition to any other consequences.

Vandalism

A student involved in willfully or negligently damaging school property or another person's property may receive **suspension**, with consideration of **expulsion**. The student may also be responsible for paying the costs to repair the damage before returning to school. School pranks, especially those involving school property, will be treated as vandalism.

Cheating and/or Lying

Believers are admonished in the Scriptures to maintain absolute integrity (Psalm 15:2, 25:21; II Corinthians 1:12). Students at CCA are expected to uphold the above scriptural standards as members of the student body. The following are examples that would be considered cheating at CCA, but are not all-inclusive:

- Use of cell phone, computer, or other electronic devices during testing that create even the impression of inappropriate use will result in confiscation of the phone or device.
- Copying the homework/classroom work of another student.
- Permitting a fellow student to copy your homework or classroom work.
- Copying from another student during a test or looking at another person's paper during a test.
- Looking at, or having in your possession, or sharing with another a copy of a test that you have not yet taken.
- Talking with other students about the content of a test after the student has taken the test and others have not.
- Using a cheat sheet or notes while taking a test.
- Forging a required signature.
- Plagiarizing from any source, including the Internet, and turning that in as original work. (See Academic Integrity Policy below.)
- Turning in work that was only partially done by the student and partially done by another.

Original work means that no part of your writing should copy or too closely resemble the words, events, characters, or any part of a published work. Published work includes books, magazines, newspapers, other printed materials, or materials on the Internet as well as stories portrayed in audio and visual media, including but not limited to radio, Internet, television, DVD, video games and the theater. You may not use unpublished writing or material from an author other than yourself. Previously published character names and titles may be used as long as the story events, characters, and words are sufficiently different so that anyone reading the material may distinguish it as a new and separate work. If students are ever unclear as to whether working together is acceptable, they should ask the appropriate teacher for clarification.

Academic Integrity

All students are expected to adhere to the highest standards of personal honesty and integrity in their work. Submissions to teachers must be original or must respect the intellectual contributions of others through correct referencing.

Plagiarism is defined as stealing and passing off the ideas and words of another as one's own when they actually come from another source. This source may be written, oral or electronic, and includes copying and pasting from the Internet. It can be as subtle as inadvertently neglecting to use quotation marks or references when using another source or as blatant as knowingly copying an entire paper, or parts of a paper, and claiming it as your own.

Conflict Resolution: The Matthew 18 Principle

One of the greatest tools we give students is God's perspective in handling conflict between one another. We have adopted many of the concepts found in the Scriptures and described in a book written by Corlette Sande called *Young Peacemakers*. The following are the principles we teach and practice when handling conflict between peers. Our goal is Romans 12:18, "If possible, so far as it depends on you, live peaceably with all."

- Every student will learn and practice honoring one another, learning to see the value of each individual from God's perspective. This is demonstrated in the words they use, their tone of voice, and their body language. (Matt. 7:12, 1 Cor. 13, Phil. 2:3, Eph. 5:4)
- Students learn and practice being a part of the body of Christ. They are sisters and brothers in Christ learning how to accept each person's giftedness, creativity, and individuality. They practice working as a team to bring honor and glory to God as an individual, as a class, and as a school. (1 Cor. 12)
- When conflict arises each student will learn to practice the 5A's. (Matt. 18):
 - **Admit:** what you did wrong
 - **Apologize:** for how your choice affected someone else
 - **Accept:** the consequences for your choices
 - **Ask:** for forgiveness from the Lord and the people you sinned against
 - **Alter:** your choices in the future

Unfortunately, conflicts are a normal part of life on earth. Our tendency in conflict situations is often to withdraw or retaliate. Conflict with others many times prompts us to go behind people's backs or over their heads without talking to them about the problem. These are natural reactions. In Matthew 18:15-17, Jesus urged us to have a supernatural reaction. He advised us to lovingly approach any offending individual when we have a complaint or grievance against them. We can do this in the power of the Holy Spirit. God's resources turn conflicts into opportunities for growth. There is a spiritual battle continually being waged. We can be victorious even in difficult situations when we behave according to the Scriptures.

Students will be taught and then given opportunities to practice going to the person who has offended them to solve differences on their own. If they cannot reach restoration on their own, they can get help from their teacher to resolve the issues. In extreme cases principals will participate in helping students practice Matthew 18.

"Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit in the bond of peace." Ephesians 4:2-3

Safety

Safety is important. Since students, parents and visitors use our main entrance, that area must be kept clear and unobstructed. Playing is not allowed in the front circle where cars come for drop-off and pickup. Bicycles may be ridden to and from school.

Guns, knives, firecrackers, water pistols and weapons of any kind may never be brought to school or to off-campus activities. Tobacco, alcohol and illegal drugs, likewise, may never be brought to campus or to off-campus activities.

No objects, such as paper, pens, balls, snowballs, rocks, or food, may be kicked or thrown in the classroom, buildings, or on school grounds.

Dangerous Objects/Weapons/Firearms

No object that can kill or cause serious bodily harm shall be brought to school or school functions. Firearms, knives, martial arts weapons, lighters, matches, laser pointers, and other types of weapons or facsimiles of any of the above are strictly prohibited on school grounds and at all school activities. Any student in possession of one of these objects may be suspended for up to five days and considered for expulsion. Students who trigger false fire alarms or use or tamper with fire extinguishers in any way may be subject to the same consequences in addition to restitution for costs including fire department response or extinguisher servicing.

Actual or Threats of Harm

Any student who threatens or actually harms another person (student, teacher, staff member, or parent) may be subject to suspension and considered for expulsion.

Physical fighting is strictly prohibited at school, and all participants may be suspended. Students must learn to resolve conflicts long before fists start flying. Jesus Himself makes clear that our task is to be peacemakers (Matthew 5:9, 39). However, worldly wisdom and practice will not provide much insight in this area, especially when another person seems bent on provocation. If students are not able to resolve differences, they should find a friend or an adult who will help mediate the situation.

For some students, slapping someone on the back or punching them in the arm is a sign of affection, not aggression. However, consequences for these actions can still result if the student receiving the punches has indicated in some manner that those actions are unwelcome.

Drugs and Alcohol

Use, sale, or possession of any illegal substance at any time on or off campus will result in immediate suspension from school, and the administration will make a recommendation whether to proceed with expulsion. If a student has been suspended for drug use, and the

circumstances are such that the student is allowed to return to school, any subsequent violation involving drugs at any time during his or her enrollment at CCA will result in an automatic recommendation for expulsion.

Student vaping, tobacco use, or alcohol consumption or possession is restricted and not permitted at any time on or off campus during their enrollment. This includes all forms of tobacco, including chewing tobacco, nicotine pouches, and all forms of vapes. Student use of these substances will result in suspension and possible consideration for expulsion.

Technology

Two verses of Scripture particularly relate to the flood of information and entertainment available to us today. Philippians 4:8 says: “Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things.” Psalm 101:3 declares, “I will not set before my eyes anything that is worthless.” These two verses arch high above all media being accessed at Concord Christian Academy.

While CCA will do its best to filter what is seen and heard here, each individual student and staff member must strive to develop his or her own filter and self-control. As Martin Luther famously said, “We cannot prevent birds from flying over our heads, but we can prevent them from building a nest in our hair.” With temptation nearly a click away, each member of the CCA academic community is responsible for their own thoughts, choices, and conduct.

Students of the present generation experience a high level of exposure to the world of technology such as cell phones, computers, the Internet, social networking, etc. It is our perspective at CCA that these opportunities afford them many benefits as well as raise reasons for discerning caution.

Our primary concern is focused on the on-campus time students have with the purpose of removing potential distractions which go against the goals of education that we and their families have for them, as well as those we hope they have for themselves. As a school we are additionally concerned with the spiritual well being of our students and providing a healthy protection against anything which would seek to compromise their purity and/or integrity. Secondly, at CCA students enjoy exposure to a high level of computer technology for the sole purpose of education. Their access to advanced technology is a tool for their developing the 21st Century Skills – an educational initiative which prepares students for the demands of their

Computer

Following are the main computer offenses that will result in a computer warning and loss of computer privileges (see consequences below).

- Surfing the internet without prior permission from faculty/staff
- Surfing images without prior permission from faculty/staff
- Playing computer games during school hours without prior permission from faculty.

- Using social networks
- Completing homework or working on another project other than the assigned work without permission from the present classroom teacher
- Defacing or purposefully misusing computers

Note: For greater security, there are two separate networks on campus for faculty/staff and students. Students are not permitted to use the CCA Faculty network and therefore, are not given the password. Students are only permitted on the CCA Student network which school-owned devices automatically connect to.

Cell Phone and Mobile Device

This policy fosters a culture of academic excellence and digital responsibility by minimizing distractions during school hours and protecting students' focus and mental health. CCA is committed to regularly reviewing and assessing our cell phone and mobile device policy each school year.

CCA follows the State of NH school cell phone guidelines. The guidelines are as follows: *Students will be prohibited from using cell phones, smart watches, and other personal electronic devices from the start of the instructional day until dismissal.*

- Grades K4-5: Cell phones and smartwatches are not permitted in the building.
- Grades 6-8: Cell phones and smartwatches must be placed in the designated receptacles in the Great Room upon arrival to school, as early as 730 AM. Internet and Email Acceptable Use Policy

We are very pleased to offer internet access at Concord Christian Academy and believe it offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence by facilitating resource sharing, innovation, and communication. The internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers.

Internet access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources.

Internet -- Terms and Conditions of Use

ACCEPTABLE USE

The purpose of the backbone networks making up the internet and CCA email is to support research and education in and among academic institutions. The networks provide access to unique resources and facilitate collaborative work. The use of the account must be in support of education and research and consistent with the educational objectives of Concord Christian Academy. Use of another organization's network or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any national or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret.

Users are expected to use the internet appropriately inside or outside of school. Inappropriate use may be defined as using offensive language, making threats, posting sexually suggestive material, gossiping, racism, harassing, slandering, taking the Lord's name in vain, visiting pornographic websites, or any other activity that is not honoring to the Lord. Users who are engaged in these activities at school will receive discipline that could include suspension, expulsion.

Videos or photos taken at school or any school event may not be posted to a public website without the explicit permission from the administration.

In the event a student stumbles across a site or content they know or suspect they should not have access to, it should be reported immediately to the teacher, who will notify the CCA Technology Coordinator. He/she will communicate with CCA Head of School, the Dean of Academics and the parent (as necessary), to identify the event, and the action taken to correct the issue.

Privileges

The use of the internet and CCA email is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrators will deem what is inappropriate use and their decision is final. Also, the system administrators may close an account at any time as required. The administration, faculty, and staff of Concord Christian Academy may request the system administrator to deny, revoke, or suspend specific user accounts.
