

Community Focused, Career Driven

Dear Students and Parents:

Early College at Your High School is a partnership between participating high schools and NHTI-Concord's Community College for 10th, 11th and 12th grade students. **Any 9th grade student in the Project Lead the Way Pre-Engineering program may register for Early College at Your High School credit.**

Early college at Your High School registration information:

All CCSNH colleges use the **DualEnroll** online registration program. The registration window is from September 28, 2026, through November 15, 2026. **There are NO retroactive registrations once the registration window closes.** Your student's teacher has given your student the instructions for the registration process including the website, **ccsnh.dualenroll.com**. Each course costs \$150

Early College Scholarship: 10th, 11th, and 12th grade students are eligible

There is **NO** application for this scholarship. It is automatically given at time of registration.

Early College at Your High School (ECHS) may use a maximum of 4 Early College Scholarships for free courses.

Early College on a College Campus (EC), including online courses may use a maximum of 2 Early College Scholarship.

Scenarios of registration and state funding cap management:

If a student has taken **4** ECHS classes, they pay out of pocket for the **5th** class.

If a student has taken **3** ECHS classes, they have **1** EC on Campus scholarship available

If a student has taken **2** ECHS classes, they have **2** EC on Campus scholarships available campus

If a student has taken **1** ECHS class, they have **2** EC on Campus scholarships available.

If a student hasn't taken any ECHS courses, they have **2** EC on Campus scholarships available (**not 4**)

Please contact me if you have any questions.

Sincerely,

Mark Bograd
